

Hopi Ear Candle Tuition

**Learn the ancient art of Hopi Ear Candling
known as Thermal Auricular Therapy.**

Hopi Ear Candling is a natural treatment for most ear, nose and throat conditions. As the candles burn creating a chimney effect in the outer ear, anti-viral, antiseptic and healing herbs are infusing into the ear cavity and bloodstream. This may help blocked sinuses and the immune system is also favorably influenced by this pleasant method of local heat application.

**The Reiki & Relaxology Training Centre is pleased to offer a
one day training workshop for £55.**

The workshop includes full tuition including giving and receiving a treatment, an instruction manual and a Reiki & Relaxology Training Centre certificate worth 5 CPD points.

Hopi ear candles are available on the day.

**Please ring Ray on 01942 207302
for next course details.**

Early booking is essential as places are limited to 3
